If not currently employed by a qualifying agency, the applicant must have been employed by a qualifying public agency within one year prior to the date his/her completed application is received by the Placer County Human Resources Department;
2. The classification in which Placer County employment is contemplated must possess the same or less minimum qualifications and be substantially similar in job assignment and responsibility as the position in which the applicant is/was employed by the qualifying public agency;
3. If classified, the applicant must hold or have held permanent status with the agency in a comparable job assignment;
4. If unclassified the applicant must be or have been employed by that agency, in that position, for a minimum of six (6) months;
5. The applicant must submit a Placer County Public Agency Eligible Self Certification form, certifying:

 - He/She has not been separated for cause;
 - He/She was appointed to the class as a result of a qualifying or competitive exam;

Public Agency Eligible Lists are provided to hiring departments as positions become available. Hiring departments determine who to interview based on a review of the available position and the application materials of eligible applicants.

Offers of employment to an applicant on a PAEL are made contingent upon receipt, verification and acceptance of applicant's required documents, which are the following:

1. [Placer County Public Agency Eligible List Self-Certification](#) - Required at time of application submission and filled out by applicant if number 2 and 3 (below) are not attached to application.
2. [Public Agency Eligible List Interagency Information Request](#) - Required upon conditional offer of employment and filled out by applicant's current/former agency. Can be accepted at time of application submission in lieu of 'Public Agency Eligible List Self-Certification' form (number 1 above).
